

Entrepreneurship Training: Growth & Leadership

(ENBIII, 2 jours)

Description

The course Growth & Leadership (Entrepreneurship Training) builds on the knowledge and skills developed in Entrepreneurship Bootcamp I and II. With an expanding business, you will need to know how to plan for smart growth, manage risks, supervise staff, excel at client service and more. This course is perfect for people who have developed a business plan or who have an existing business they are looking to grow! You have ambition, we can help you take it further!

Tarifs

- Tarification: \$1,500/person
- Rabais de 10% lorsque vous inscrivez 3 personnes.
